Bench Warrant Issued for George Archer-Mrs. Vaughan's Will Probated - Suits

In its report of the proceedings of the State Board of Agriculture at its recent meeting at Old Point Comfort, the Virginian-Pilot noted the fact that the State will probably establish one or more "test" farms, to investigate practical matters that interest all farmers in all parts of the State. These farms will experiment on seeds, methods of cultivation, rotation of crops, fertilizers for various classes of soils and varied crops, feeding values of stock feeds ahd other matters that directly or indirectly concern every citizen of Virginia.

In response to an inquiry Mr. A. O. Mauck, member of the State Board of Agriculture from the Second Congressional District, and also owner of the celebrated "Temple Farm," replies to the Virginian-Pilot that one of the proposed "test" farms might perhaps be secured for this district if the reenle Judge Hanckel, of the Court of Lav and Chancery, issued a bench warrant yesterday for George Archer, who is inder indictment for felonious assault, and who was to have been tried yes terday. He is out on bond, which will

be forfeited if he does not appear. Henry Williams, who in April last vas sentenced to four months in jail by the Police Justice on the charge of larceny, was allowed to withdraw appeal. He has deided he is willing serve out the original sentence.
